

Marmer Penner Newsletter

A WARM WELCOME IN 2001

As this is our first newsletter of the New Year, we would like to wish all our clients and friends a belated happy New Year and announce developments within our firm.

James A. DeBresser, B. Comm., CA•IFA/CBV has been admitted to the partnership. A Chartered Accountant since 1995 and a recently designated specialist in Investigative and Forensic Accounting, James commenced association with us in 1996, and obtained his designation as a Chartered Business Valuator in 1998. His contributions and experience, particularly in the areas of employee stock option valuation and damages quantification, have proven to be a valuable asset to the firm. James has lectured to several law firms and authored several articles in the area of business valuation, taxation, employee stock option valuation and economic damages quantification.

Anita Auerback, CA has joined the firm as an associate. Having obtained her Chartered Accountancy designation in 1986, she has specialized in the area of international taxation and also had her own computer business. Anita is currently pursuing the Chartered Business Valuator designation.

Orville Christie, CGA has joined the firm as an associate. He has been an Associate Member of the Association of Chartered Certified Accountants in the United Kingdom since 1996. Orville is pursuing the Chartered Business Valuator designation. Prior to joining the firm, Orville was associated with the management consulting department of an international accounting firm as well as the audit departments of two large international accounting firms. Orville's experience includes forensic accounting, business valuation, feasibility studies, business plans and process improvement projects.
